"TO SET INTO ACTION OR MOTION"

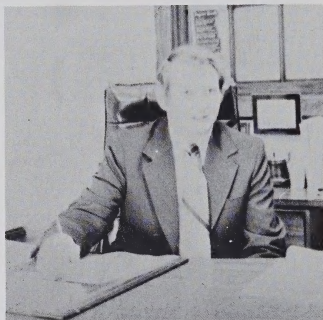

"Go" is an active word, filled with motion. We at Ferndale have been active in this year of '77-'78. Having 7 periods; changing classes in four minutes; busy-ing ourselves with activities and making our school the best has kept us busy. The theme of this book is motion, just as we Trojans are always "going".

JUNIOR BETA CLUB

The Junior Beta Club is an active organization of students selected because of their academic achievement. Its purpose is to provide the school and community with valuable services.

FUTURE HOMEMAKERS OF AMERICA

The activities of the FHA help to prepare its members for the future by developing skills today.

8th AND 9th GRADE BAND

This year brought two important changes for Ferndale bands: class every day, and a new director. As an important part of our music program, they practice very hard to prepare for concerts and the Christmas parade.

7th GRADE BAND

"FERNDALE ON THE GO"

Band rehearses every day this year.

Guidance aides stay very busy.

Office aides assist with check-outs.

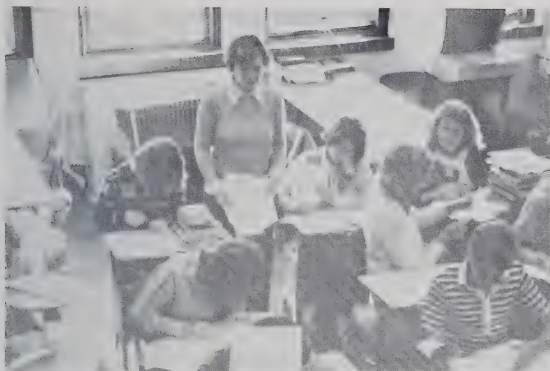

Daily routine is snapped.

Aides assist with scheduling.

Grading papers is a part of a teacher's helper's job.

Sales and preparation keep the Horseshoe staff busy.

The day begins with flag raising.

The school store is a booming business.

The combined efforts of our committees, organizations and activities keep Ferndale running at a steady pace. Many times it is the efforts of individuals who do their jobs well without praise and glory that are the most important factors in maintaining our daily routines.

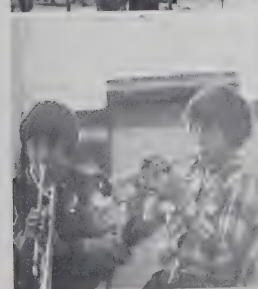

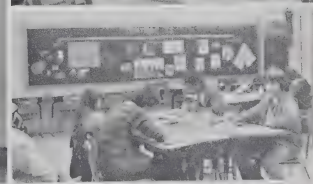

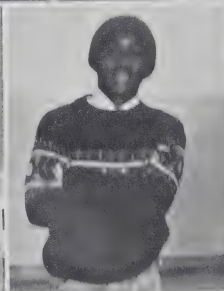

Above: The publicity committee keeps us informed. Upper Right: Magazine sales bring profits to Ferndale. Lower Right: Library aides hard at work.

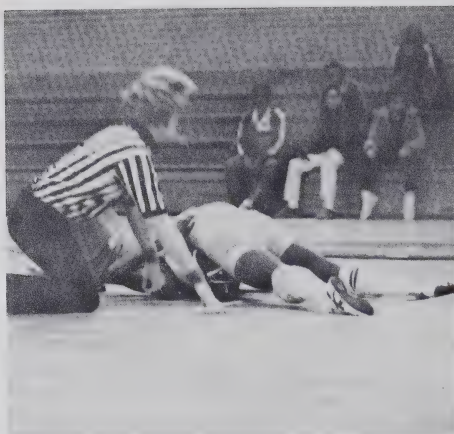

"TO BE IN MOTION"

"TO BECOME AS THE RESULT OF A CONTEST"

Through competition, we at Ferndale have proved ourselves to be more than just another school. Thanks to our coaches and athletes we have maintained a superior athletic department. An undefeated football team and outstanding teams in other sports have been as much a part of this year as our school work and classes. But the main thing that has kept our teams on top is the unending support of the fans and cheerleaders throughout the year.

GIRLS' ATHLETICS

The 1977-78 school year has meant constant motion for everyone involved in girl's athletics. Participation has been greatly increased because we now have six different teams for girls including two volleyball and basketball teams, a softball team, and a track team. Under the direction of Miss Elliott, our girls were a real boost to our athletic program with outstanding seasons in each sport.

Varsity Basketball

Front Row: McLean, Zimmerman, Lucas, Zimmerman. Back Row: Craven, Stevenson, McClerkin, Parks.

Varsity Volleyball

Row 1: Gilchrist, Clinton, Hunter, Zimmerman, Zimmerman. Row 2: Ray, McClerkin, Soles, Parks, Forss, Lucas.

GIRLS' SOFTBALL

Row 1: J. McLean, M. Livingston, S. Quick, E. Zimmerman. Row 2: R. Surret, A. Soles, S. Wright, C. Lucas, J. Parham.

Onward Trojans, onward Trojans
On to victory.
With our colors always flying
Victors we will be.
Trojan men in battle fare
Since fighting days of old
Have proved to us the right
To wear our Ferndale blue
And gold.

"TO CARRY ONE'S ACTION TO A CERTAIN POINT OF COMPLETENESS"

So come with me and take my hand —
Don't be afraid.
Together we will find the answers . . .
Together we can learn.
Bit by bit, we'll understand.
We're young, it's true, but it's
time to go.
Time to start forming our future now.
If we should drift apart,
The memories will be enough to
remind me of what we accomplished
together.
I'll know — and you will, too — that this
thing called "life"
Isn't as scary as it may seem.
It's all so very possible, if we
walk side by side and accept
each other.
Please now, come with me.
I'm ready . . .

Let's go.
